Key Insights

Platform

TikTok dominates all platforms with 41.8% avg engagement — nearly 4x higher than YouTube (10%) in second place.

Category

Lifestyle content leads all categories at 19.1% avg engagement, followed by Travel (15.2%) and Technology (14.0%).

Influencer Tier

Nano influencers drive the highest engagement (242% avg) despite posting the least — while Macro influencers post the most (3,993 posts) but engage the least (3% avg).

Timing

Best posting windows are 8AM (24.6%) and 8PM (23.1%) — morning and evening consistently outperform midday.

Content

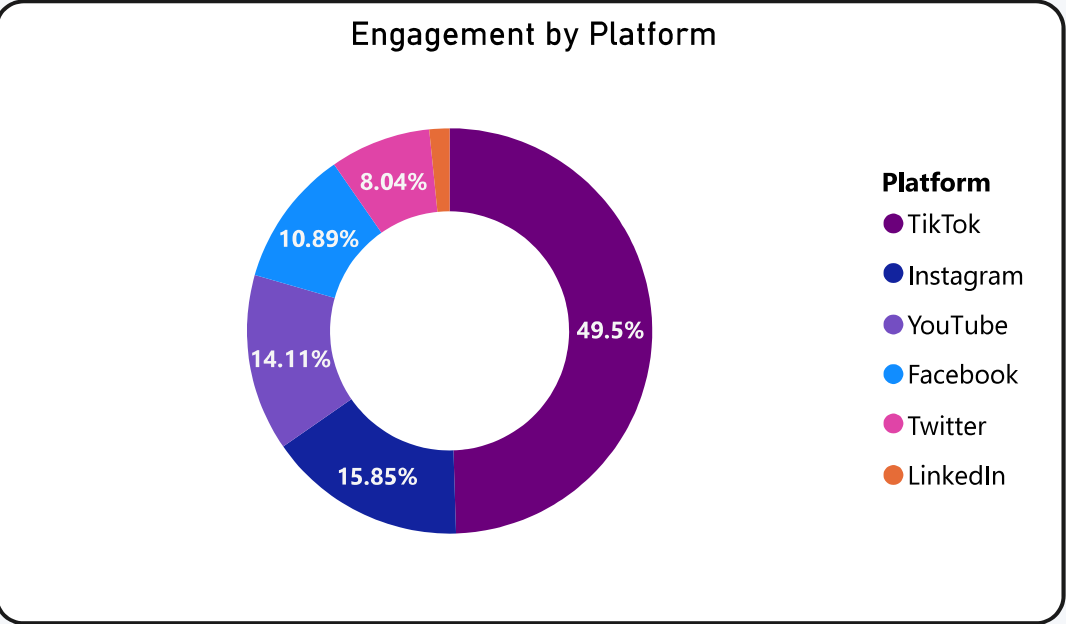

Short-form content outperforms long-form by 2x (18.3% vs 8.6%). Medium hashtag volume (4–10 tags) is the sweet spot at 17.2%.

Verification

Verified accounts perform only slightly better (12.5% vs 11.8%) — verification alone does not drive engagement.

Sentiment

Positive sentiment posts generate the strongest response (12.9%) while neutral content performs weakest (10.7%).
